

What's New in Victoria

Destination Greater Victoria is honoured to be based on the traditional territory of the Lekwungen-speaking peoples, whose historical relationships with the land continue to this day.

Sustainability

Destination Greater Victoria is the first Destination Marketing Organization in North America to achieve Climate Positive designation. Destination Greater Victoria is proudly certified Climate Positive by Ostrom Climate and Synergy Enterprises. In March 2023, Greater Victoria became Biosphere certified, a prestigious tourism designation. Twelve of our members are Biosphere Certified, including the Victoria Conference Centre. A further 56 members are Biosphere Committed.

When you visit Victoria, you're met with green initiatives right out of the gate! New to the Victoria International Airport, YYJ, is a native species pollinator garden with more than 2,000 flora planted in 1,100 square metres of garden to help pollinators thrive.

Accessibility

Victoria recently completed an accessibility audit to ensure travellers of all abilities can enjoy this beautiful city. What makes Greater Victoria special is the ease with which travellers of all abilities can access our world class activities, luxurious accommodations, and elegant dining options.

INDIGENOUS EXPERIENCES

Explore Songhees

“əyʔ skʷéčəl “good day” The Songhees Nation welcomes all visitors to Lekwungen Traditional Territory to partake in meaningful Indigenous cultural experiences. The Songhees Wellness Centre is the cultural hub where people and traditions come to meet. It offers incredible views, an art gallery + cafe and full-service event facilities for over 600 people.

Established in 2008, the Seven Signs of the Lekwungen is an interpretive walkway along the Inner Harbour and surrounding areas that honours the art, history and culture of the Coast Salish people who have resided in the Victoria area for hundreds of years.

GETTING HERE AND GETTING AROUND

Porter Airlines

Porter Airlines began service daily between Toronto Pearson International Airport (YYZ) and Victoria International Airport (YYJ) with the new Embraer E195-E2 aircraft in September 2023.

Kenmore Air

Starting May 16th 2024, there will be a new seaplane service flight time from **Friday Harbor Marina (San Juan Island) to Victoria Inner Harbour**. This 30-minute flight will help bolster the connection more with harbor to harbour walkability. Shifting their YYJ – Friday Harbor airport Kenmore Air Express wheeled service from Friday Harbor Airport over to servicing direct between YYJ and Boeing Field (from which we offer a shuttle transfer service to SeaTac airport for a small fee). These are two important service shifts as we see Victoria demand continuing on a strong growth path as well as maximizing opportunity with our Alaska Airlines partnership through SeaTac.

Helijet

Helijet International announced plans to add Canada's first order for an electric, vertical-takeoff aircraft to add to its fleet of passenger and cargo helicopters. The ALIA aircraft will provide quick, quiet, and more efficient landings and takeoffs from hospitals and other emergency zones. Anticipated by 2026 for private and commercial flights.

Harbour Air

The Harbour Air ePlane announced that the first direct all-electric point to point test flight has been completed. The historic De Havilland Beaver, which was completely retrofitted in 2019 to operate using 100% electricity flew 45 miles in 24 minutes. The aircraft left their terminal on the Fraser River adjacent to YVR and landed in Pat Bay adjacent to YYJ. This is a major milestone in the advancement of all-electric commercial flights.

OUTDOOR ADVENTURE

100th Anniversary Victoria Harbour Migratory Bird Sanctuary

2023 marked the 100th year anniversary of the Victoria Harbour Migratory Bird Sanctuary. The sanctuary is the oldest and largest in BC, along with Esquimalt Lagoon and Shoal Harbour Bird Sanctuary.
